

10-Week Program
General Educational Development (GED)

SUMMIT
ACADEMY OIC

We have developed an immersive **GED training program** that will help you complete your diploma in just 10 weeks. From there, you can go into one of our three different training paths: Healthcare, Construction, or IT.

We are a certified Pearson VUE testing center, so your testing is done in-house. Also, we'll cover the cost of taking the GED test!

Program Breakdown

Getting started with your GED

- Mathematics
- Reasoning through Language Arts
- Science
- Social Studies

Developing your skills
